” 10 ” January 2014

To the EUROSAI members

Dear Colleague,

According to the Strategic Plan of EUROSAI for the Period of 2011–2017, one of the highlighted objectives is to “*Take active steps to strengthen and support SAI independence*”. To enhance this objective, the Cour des Comptes (SAI of France) and the State Audit Office of Hungary are organising a Seminar on Independence of Supreme Audit Institutions on 28 March 2014. We have the pleasure to invite you or a representative of your Supreme Audit Institution to the seminar.

Venue of the seminar: Headquarters of the State Audit Office of Hungary,
1052 Budapest, Apáczai Csere János utca 10.

The morning session of the seminar will be dedicated to presentations by French and Hungarian experts and guest speakers on (a) the ISSAI framework and the significance of the UN Resolution, (b) the most recent surveys on independence within INTOSAI and EUROSAI and (c) independence in practice with French and Hungarian experience. The afternoon session will be organized around 3 roundtable discussions. Please find the details of the sessions in the attached Draft Programme. You are encouraged to share your thoughts, ideas and the practice of your SAI briefly during the roundtable discussions.

Please find enclosed the registration forms and the Draft Programme. You are kindly requested to return the completed seminar and hotel registration forms by **14 February 2014** to the indicated addresses.

We are looking forward to welcoming you in Budapest.

Yours sincerely,

Didier Migaud
First President
Cour des Comptes

László Domokos
President
State Audit Office of Hungary
