

AUDIT OF PUBLIC REVENUES WELCOME SPEECH

Miloslav Kala

Tax evasions and frauds in several EU countries reached considerable extent

VAT GAP in EU (2011)

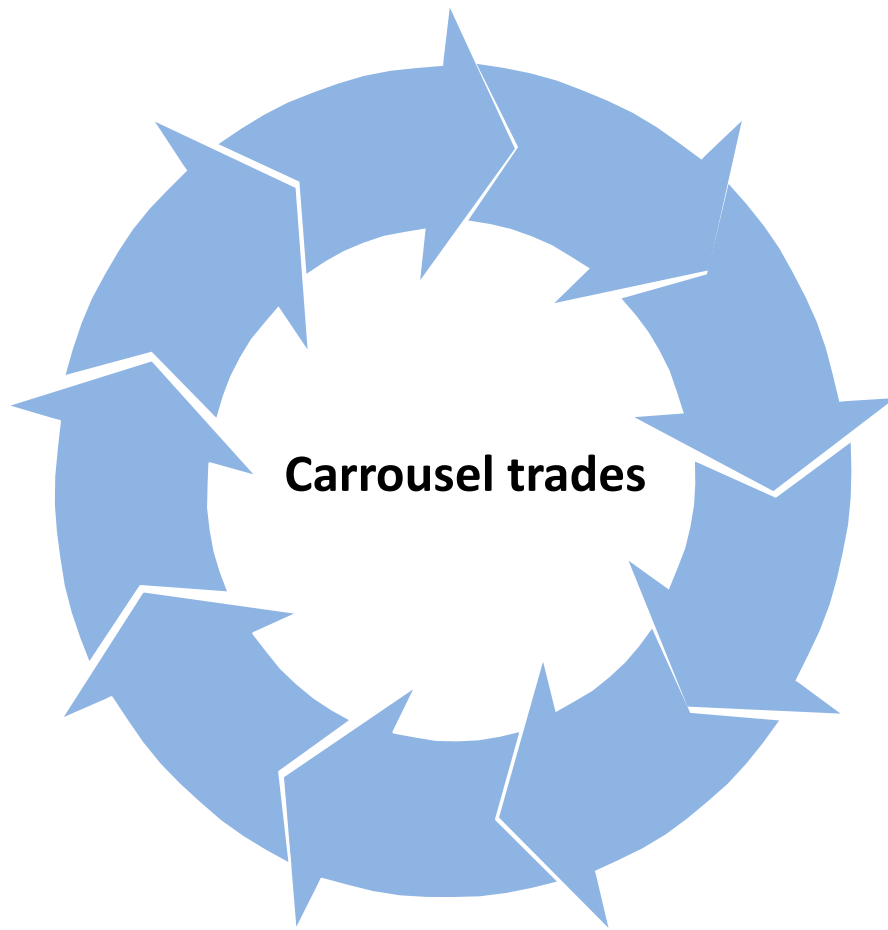

Finding of SAO audit (VAT) – high amount of tax evasions from import transactions

Measures proposed by SAO should bring to the budget 10 billion CZK

Carrousel trades – the main cause of tax evasion and frauds

- ← **Changes in VAT legislation** §
- ← **Cobra team** 
- ← **Finance intelligence unit** 
- ← **SAO Czech Republic** 

Tax revenues – opportunity to international cooperation and exchange of experience

Success of parallel audits:

- Issues raised on EU level
- Exchange of experience
- Comparison – best practice

Harmonization of tax area in EU

Thank you for your attention
