

Seminar on implementation and use of the new INTOSAI standards (ISSAIs 5500-5599)

The Accounting Chamber of Ukraine together with the Supreme Audit Office of Poland, in the framework of the VI Meeting of the EUROSAI Task Force on the Audit of Funds Allocated to Disasters and Catastrophes, organized a training seminar on “Implementation and use of the new INTOSAI standards (ISSAIs 5500-5599)” (15 May 2014, Warsaw, Poland).

The training event was held according to the Work Plan of the EUROSAI Task Force for 2012-2014.

26 representatives of 12 SAIs attended the seminar, namely: Azerbaijan, Bulgaria, Czech Republic, European Court of Auditors, Hungary, Kazakhstan, Moldova, Norway, Poland, Russia, Slovakia and Ukraine.

During the sessions, the participants shared their knowledge and presented their SAIs experience and achievements concerning implementation and use of ISSAIs 5500-5599, in particular:

- Ms. Torielle Perreur-Lloyd, Project Manager of the European Court of Auditors, presented the process of making and approval of ISSAIs, their objectives and outputs;

- Mr. Piotr Miklis, Director of the Regional Branch in Katowice, the Supreme Audit Office of Poland, presented the experience of implementation of INTOSAI standards and the ways for their further use;
- Ms. Michaela Rosecka and Ms. Marcela Bargelova, representatives of the EUROSAI Goal Team 3 (SAI of Czech Republic), described the main activities of the GT3, providing an overview of knowledge sharing, enhancement of coordination and cooperation among EUROSAI Working Groups;
- Ms. Yulia Myronenko – Chief Specialist of the Agricultural Industry, Nature Protection and Emergencies Audit Department of the Accounting Chamber of Ukraine – made a presentation on the role of the EUROSAI Task Force in development of methodology in the field of auditing funds allocated to disasters and catastrophes. In addition, she presented the international auditing standards and external control in public sector of economy.
