AUDITOR'S REPORT -
EUROSAI ACCOUNTS
FOR THE BUDGETARY YEAR 2020
1. GENERAL COMMENTS

In accordance with article 15 of the Statutes of EUROSAI we conducted an audit of the EUROSAI accounts for the year 2020. Pursuant to Chapter V of the EUROSAI Financial Rules, we performed an audit of the accounts and the related accounting documents kept by the General Secretariat from 11 to 16 March 2021. The audit was conducted remotely due to the COVID-19 crisis in Europe. We were provided with scanned copies of all documentation supporting the financial statements. We received all information and clarifications required for performance of our audit. We believe that our audit provides a basis for our opinion.

2. AUDIT FINDINGS

Our audit revealed the following:

2.1 The accounting documents are duly recorded at the Secretariat. The 2020 accounts are in accordance with the accounting documents and the corresponding entries.

2.2 Operational audit: the nature, the size and the number of transactions carried out in 2020 were such that there was no need to perform an efficiency and effectiveness audit of the EUROSAI financial management.

2.3 Expenses and income: the receipts and expenses as well as the acquisitions were subjected to the necessary authorizations.

The amount of total assets as of 31 December 2020 is 462,746.13 EUR, of which 461,996.11 EUR or 99.8% are an available current bank deposit. The amount of net assets is 460,347.86 EUR or 99.5% of the total assets.

The total budgeted income for the financial year 2020 was 99,190 EUR (annual allocation before the incorporation of unused credit from previous years). The total amount of expenses incurred during financial year 2020 came to 50,427.18 EUR (50.8% of the abovementioned budget allocation). As a result, the profit for 2020 is 48,762.82 EUR (difference between the income and the amount of the authorized payments for 2020).
3. **OPINION**

In our opinion the financial statements give a true and fair view of the EUROSAI financial situation as of 31 December 2020 as well as of the receipts and expenses for the year then ended.

4. **ACKNOWLEDGEMENTS**
